Solar & Wind

Saturday, October 4, 2008
10:00 a.m. to 4:00 p.m.

Check out homes, businesses and institutions around Thunder Bay that have taken action to reduce energy use, limit greenhouse gas emissions and save money too! See renewable power generation using both solar and wind, learn about renovating for efficiency, view the latest technology and ...the Vehicle Showcase! Join the Ontario Ministry of Transportation, City of Thunder Bay and local car dealerships for an introduction to the latest fuel efficient vehicles of every size and shape.

Basic Passports: \$10 per person for the You-Drive Tour includes 1 free day pass for city transit.
or, choose one of the following options:

Meal Deal! \$25 for You-Drive passport, city transit pass plus lunch at Taiga catered by Ruby Moon (3 meal options including vegetarian)

Save Gas! \$20 for passport, city transit pass plus a guided bus tour (departs 9:30am at the Thunder Bay Community Auditorium, lunch not included)

BBQ food will be sold at Ecole de la Verendrye and drinks will be available at Nolalu EcoCentre.

Passports on sale at: **Maier Hardware 183 S. Algoma St.**
EcoSuperior 212 E. Miles St.
