

Public Notice Closing of Parks & Outdoor Rec. Equipment

TERRACE BAY, ON March 28, 2020

CLOSING OF ALL MUNICIPAL PARKS AND OUTDOOR REC. EQUIPMENT - Due to the ongoing COVID-19 pandemic all municipal parks and outdoor rec. equipment are hereby closed until further notice. Equipment has been taped-off and signs posted.

Based on the advice of health professionals and known ability of the virus to survive for longer periods on various surfaces, playgrounds have been closed across Canada to prevent transmission among children touching the same swings and jungle gyms, which typically aren't sanitized.
