Public Notice Terrace Bay Landfill and Garbage Collection

TERRACE BAY, ON April 3, 2020 – The **fees at the landfill will be waived** on all residential garbage for both residents of Schreiber and Terrace Bay until further notice. While at the landfill, residents are expected to practice proper physical distancing from others and listen to any direction, as provided by the landfill attendants. We ask for the public's cooperation in only visiting the landfill for necessary and essential reasons.

Garbage will still be collected curbside In Terrace Bay on Tuesdays as per normal. **Container/garbage tags will not be required for curbside collection as of April 7, 2020** and until further notice. However all other collection rules still apply (121L max size container, lid etc.) and a two (2) container limit is imposed as of Tuesday April 7, 2020.

The Township reserves the right to limit or restrict the services noted above, if any abuse or misuse is observed.

We apologize for any inconvenience this has caused and appreciate everyone's cooperation during this difficult time. Spring clean-up week is still planned for May at this time.

The Township of Terrace Bay remains diligent in monitoring the situation as it pertains to COVID-19. We continue to evaluate our operations and all communications from local and regional health agencies, as well as communications from other Federal and Provincial Government Health Authorities on a daily basis. The health and well-being of our residents and community is of great importance.
