<ul style="list-style-type: none"> • four wheels, all in contact with the ground, • has steering handlebars, • has a seat that is designed to be straddled by the driver, and • is designed to carry, <ul style="list-style-type: none"> ○ a driver only and no passengers, - OR - ○ a driver and only one passenger, if the vehicle, <ul style="list-style-type: none"> ▪ has one passenger seat that is designed to be straddled by the passenger while sitting facing forward behind the driver, and; ▪ is equipped with foot rests for the passenger that are separate from the foot rests for the driver; 	<ul style="list-style-type: none"> • four or more wheels that contact the ground • a steering wheel • seats that are not designed to be straddled • has an engine displacement equal to or less than 1,000 cubic centimetres • a weight of 1,700 kilograms or less • an overall width of 2.03 metres or less (excluding mirrors) • a roll-over protective structure • a handle or device that an occupant can grasp • a seat belt for each seating position • a rear view mirror 	<ul style="list-style-type: none"> • four or more wheels that contact the ground • a steering wheel • seats that are not designed to be straddled • a minimum cargo capacity of 159 kilograms • a weight of 1,814 kilograms or less • an overall width of 2.03 metres or less (excluding mirrors) • an occupant protective structure • a handle or device that an occupant can grasp • a seat belt for each seating position • a rear view mirror

Where can I ride?

- You **CAN** ride on Terrace Bay streets and roads with noted exceptions below
- You **CAN** ride on established trail systems
- You **CAN** ride on Highway 17 within the Township boundaries of Terrace Bay
- You **CANNOT** ride on any Private Property unless you have permission of the owner.
- You **CANNOT** ride on the street known as **SIMCOE PLAZA**
- You **CANNOT** on any **SIDEWALK** within the Township of Terrace Bay

If in doubt, check with the municipality first before riding.

Where should ORVs be driven on-road?

- Along the shoulder of the roadway in the same direction of traffic.
- If the shoulder is obstructed or if there is no shoulder, ride as close to the right of the road as possible.

When can I ride?

- Off-road vehicles shall only be operated on highways from the hours of 7:00am (0700h) to 11:00pm (2300h) on any day.
- Operation and use of off-road vehicles must be in accordance with by-law 369 (commonly known as the Noise Control By-law)

How fast can I go?

- No person shall operate an off-road vehicle at a greater rate of speed than twenty kilometres per hour (20 km/h) upon any highway or service roadway or part thereof within Terrace Bay.

Who can ride?

- Only those with a minimum G2 or M2 licence may operate an ORV on highways and municipal roads where permitted.
- Graduated Licensing System requirements apply to young and novice drivers when driving on-road.
- Children under the age of eight (8) are not permitted as passengers on an ORV that is operating on-road.
