

Superior Classics Car Club
DRAG RACE '99

Terrace Bay, Ont.

**SUPERIOR CLASSICS
CAR CLUB
BUILDER | DRAG RACING
1998**

Superior Classics Car Club was formed in early 1998. The committee decided in late 1998 to run a drag racing event, and with enthusiasts in Thunder Bay, the club committed to starting their first drag race at the Terrace Bay Airport in 1999.

With much support from people and groups outside the Club, the first drag race was held over 2 days in August 1999. It was successful beyond anyone's expectations, and that has led to its continuation to this day now known as the Terrace Bay Dragfest. Dragfest has become one of the biggest motorsports event between Southern Ontario and Alberta.

Over the intervening years, the race has enabled the SCC Club to make donations to many regional and local charities and organizations.
