

LOU DUQUETTE CURLING TEAM TEAM | CURLING

1963 – 1964

All members of the team lived in Terrace Bay and worked for Kimberly Clark. The Duquette Rink went further in the playdowns leading to the MacDonald Brier than any rink from the North Shore of Lake Superior had done before. Had they won their last game, the Duquette Rink would have been one of the 11 Teams to curl in the 1964 Brier for the Canadian Championship Trophy.
