

Public Notice COVID-19 Pandemic Update

TERRACE BAY, ON March 28, 2020 The Township of Terrace Bay has issued a Declaration of Emergency for COVID-19. This is a precaution in order to access additional resources and funding during this pandemic, when and if to protect the health and safety of our residents and businesses. While precautionary, the Township is taking the current situation very seriously and is taking every step that we can to protect the community from the threat.

Mayor Jody Davis, on behalf of the Township of Terrace Bay, has declared an emergency to the Province of Ontario dated March 28, 2020, due to Public Health Concerns. This action is deemed necessary to protect the health, safety, and welfare of our residents and properties. Our declaration is made in support of the North of Superior Healthcare Group (NOSH) and in/with the support of our neighbouring community, the Township of Schreiber.

“We are declaring an emergency as a precautionary measure at this time in support of our local healthcare agencies and workers as well as to demonstrate the serious nature of the situation. We are taking every step that we can to protect the community and support the NOSH Group from this threat”

Jody Davis, Mayor

The Township of Terrace Bay remains diligent in monitoring the situation as it pertains to COVID-19. We continue to evaluate all communications from local and regional health agencies, as well as communications from other Federal and Provincial Government Health Authorities. The health and well-being of our residents and community is of great importance.
