

Weekly Terrace Bay Waterfront Development Construction Update

December 22nd 2020 – January 4th 2021

Please be advised that...

- Work site has been closed for the holidays
- Construction continues on the boardwalk around the building,
- The new boardwalk will end at the gazebo site location, which has been cleared. The construction of the gazebo will be considered in the near future,
- Windows and doors of the pavilion building have been installed,
- Contractor continues to work on the roof system; the metal roof and soffit are being installed,
- Contractor has completed the stone work,
- Wells are being drilled for potable water and geothermal heating,
- Back-up propane heating system has been installed,
- Contractor is receiving and storing construction materials within the construction zone,
- General public has access to the beach area that is not included in the construction zones,
- Camping is **not allowed** on Terrace Bay Beach,
- Overnight parking for vehicles and boat trailers **is allowed** in designated areas only (i.e. parallel parking to the edge of the road and stall parking by the docks).

Please be cautious around the work activities and observe all signage and posted detours. You may contact the Town Office at (807) 825-3315 should you have any questions or require any further information.
