

Weekly Terrace Bay Waterfront Development Construction Update

April 15th 2021

Please be advised that...

- Current project schedule indicates project will be completed in May 2021
- Construction of Boardwalk #2 has started
- Construction continues on the boardwalk curbing
- Boardwalk lighting is nearing completion
- The new boardwalk will end at the gazebo site location, which has been cleared. The construction of the gazebo will be considered in the future
- Washrooms are near completion
- Wells have been connected to potable water and geothermal heating.
- Final mechanical systems are being installed
- Back-up propane heating system has been installed
- Electrical power has been installed to the building
- Building outside lighting has been installed
- Contractor is receiving and storing construction materials within the construction zone,
- General public has access to the beach area that is not included in the construction zones,
- Camping is **not allowed** on Terrace Bay Beach,
- Overnight parking for vehicles and boat trailers **is allowed** in designated areas only (i.e. parallel parking to the edge of the road and stall parking by the docks).

Please be cautious around the work activities and observe all signage and posted detours. You may contact the Town Office at (807) 825-3315 should you have any questions or require any further information.
