

Weekly Terrace Bay Waterfront Development Construction Update

June 28th 2021

Please be advised that...

- Recreation Staff painted existing washroom and added new bench on the docks
- Current project schedule indicates project will be completed in a couple weeks
- Building inspection is in the process of providing building occupancy
- Construction of Boardwalk #2 is completed
- Beach Donation Fish has been installed
- Youth Initiative Regional Beach Direction sign is complete and installed
- Boardwalk lighting is nearing completion
- The new boardwalk will end at the gazebo site location, which has been cleared. The construction of the gazebo will be considered in the future
- Public Works is in the process of improving the parking lot and expanding the east end
- Washrooms are complete
- Wells have been connected to potable water and geothermal heating.
- Final mechanical systems have been commissioned
- Back-up propane heating system is complete
- Building outside lighting is complete
- Contractor has removed the construction area zone
- General public has access to the beach area that is not included in the construction zones,
- Camping is **not allowed** on Terrace Bay Beach,
- Overnight parking for vehicles and boat trailers **is allowed** in designated areas only (i.e. parallel parking to the edge of the road and stall parking by the docks).

Please be cautious around the work activities and observe all signage and posted detours. You may contact the Town Office at (807) 825-3315 should you have any questions or require any further information.
