

The Corporation of the Township of Terrace Bay

NOTICE TO RESIDENTS OF TERRACE BAY RESIDENTIAL SPRING CLEAN-UP WEEK May 9, to May 15, 2026

Use of the landfill site will be **free** of charge from May 9 to May 15, 2026, closed May 10, May 12 and May 14 inclusive for residents of the Township of Terrace Bay. It will resume operation with regular hours and fees Saturday May 16, 2026. Public Works will do townsite pick up from residential properties as per the schedule noted below Monday, May 11 to Thursday, May 14, 2026, inclusive with no exceptions. Pick up applies to residential properties only, commercial and business properties are not included.

There will be no pickup of tires or demolition material or large quantities of concrete (i.e., sidewalks or old foundations). Tires, demolition material or concrete can be delivered to the landfill site by the property or business owner and regular rates will apply.

Residents are asked to place rubbish close to the roadside and in proper containers where necessary to permit easy access for loading by **7:00 a.m. on their scheduled pick-up day**.

Public Works will not pick up derelict vehicles, i.e., old cars, trucks, or trailers. These items can be delivered to the landfill site by the residential owner and regular tipping fees will apply.

Freezers or refrigerators require certification that refrigerant has been removed before they will be accepted for pick up. Freezers or refrigerators **not** certified and drained can be brought to the landfill anytime for a fee of \$100.

PLEASE DO NOT DEPOSIT MATERIALS ELIGIBLE FOR THE HOUSEHOLD HAZARDOUS WASTE DAY.

The Corporation of the Township of Terrace Bay

Commercial, Industrial and Multi-Residential Properties during Clean-Up Week

The intent of Clean-up Week is for Property Owners to clean up their lots and beautify the community. It is not the intent for the Municipality to accept waste from day-to-day operations. The following restrictions will apply:

1. No steel, including but not limited to, vehicles and vehicle parts;
2. No hazardous waste will be accepted;
3. Municipality will only provide pick-up on residential properties;
4. Maximum quantity will be restricted to one dump truck load **or** five (5) ½ ton loads per property;
5. The Landfill Site Attendant has the right to turn away vehicles should they feel it is necessary. Any disagreements will be resolved through Public Works Manager at a later date.

A fine of \$500.00 will be assessed to anyone found dumping unauthorized waste in the landfill site.
