

# PUBLIC NOTICE

## Contract 2024 - 6004

The Ministry of Transportation will be carrying out the rehabilitation of McKellar and Ripple Creek Culvert, 36 and 38 km West of Marathon.

The construction will start in May of 2026 and is expected to finish by November 2026.

The General Contractor is Bot Construction Group and Contract Administration is being performed by Bridge Way Engineering INC.

The traveling public is advised to be vigilant and slowdown in construction zones, traffic lanes may be reduced, and traffic control will be in place.

**PLEASE DRIVE WITH CAUTION  
AND  
OBEY ALL CONSTRUCTION SIGNS & FLAG PERSONS**
